

# Salt-dough Baubles

## ACTIVITY

A great way to make a homemade keepsake and a perfect Christmas gift for family!

Children will love being involved with making and decorating these.

If you are looking after a baby, you could make hand / footprints and turn them into Christmas characters as a nice keepsake!

### Assemble with:

250g plain flour

125g table salt

125ml water

Mixing bowl

Cookie cutters

Paint

1

Weigh out the ingredients.

2

Mix the flour and salt together. Then add the water and stir until a dough is formed.

3

Roll out the dough and use your cookie cutters to make the different shapes, or push a hand or foot into the dough to make a print.

4

Place the items onto a lined baking tray, adding a hole if you are planning to hang them up, then cook at 50c for 3 hours or until hard.

Salt dough can also be air dried, it might just take a few days!

5

Once completely dry and cool, decorate with paints and glitter for extra Christmas sparkle!

You can also coat the bauble in glue to give it a shiny finish.
